Dear Friend:

Your letter of June 19th received. It was nice hearing from you and the program you suggested is, of course, one hundred per cent fine. The only trouble is for once our baseball has done something worthwhile without urging, and I am sure you have received a release by now, telling of our action taken at the joint Meeting in Chicago, if not, I will outline it to you.

The two teams that play at the East-West game in Chicago August 18th are going to be sent in tact to Cleveland August 20th to play a night game, the entire proceeds to be given to the Army and Navy Relief. I would have preferred having the game played in Wash. so the Eastern fans would have an opportunity to see the All-Star team, but the majority seemed to favor Cleveland. Where it is played is not so important, as having it played. The Committee in charge: Mr. Ernest Wright, 1331 Holland St., Erie, Pa. Chairman, Mr. Wilbur Hayes, 4809 Central Ave., Cleveland, Ohio and Mr. Gus Posey, 618 Amity St., Homestead, Pa.

I am going to contact Mr. Wright now and ask him please to send you additional information.

Again thank you for your suggestion. Hope you are enjoying good health.

Very truly yours,
